Hi Scott —

Annette and I are scheduled on a flight out of [redacted] at 6:40 pm on February 9th. At a minimum we can get you to the airport; if we have time and your hotel is in the vicinity we can try to drop you off there. While it seems like there should be plenty of time between the visit end at 3:00 pm and getting to the airport, we might have a sample shipment thing to deal with - I'm not sure about that yet. If we do need to be involved in sample shipment, I am concerned about our time to drop the car and make our flight.

Best wishes,
Kent Thomas

Hi all,

Attached is an itinerary for the crumb rubber site visits next Tuesday. The first page contains a summary of the information, including key cell phone numbers. The subsequent pages contain maps and directions for the trip.

Please print out the entire packet and bring it with you.

We'll keep you posted if anything changes!

All,

Gina informed us that it will probably be 80 degrees and sunny next week in so plan accordingly. Also, for the facilities tour, people should wear solid, closed-toe shoes (they don't need to be steel-toed). Gina is double checking with the facilities, but it is her understanding that any additional PPE will be provided.

Here are some cell phone numbers for people coming on our end:

Fred Hauchman
Kent Thomas
Chris Carusiello
Marcus Aguilar
Scott Deitchman
Annette Guiseppi-Elie

Others can add their phone numbers to this list if they wish.

Meet-up location at 9:30 am on February 9:
